SUBJECT: MUR 7113 (Power of Liberty, Inc.)
Pre-Probable Cause Conciliation

On November 14, 2017, the Commission found reason to believe that Power of Liberty, Inc. (the "Committee") violated 52 U.S.C. §§ 30104(f) and 11 C.F.R. § 104.20(b) by failing to timely file 24/48 hour reports for electioneering communications it distributed within 30 days of the August 4, 2016, Tennessee Republican primary election. We investigated to ascertain the amount in violation, and on March 26, 2019, the Commission authorized pre-probable cause conciliation and approved a conciliation agreement with a \$6,000 civil penalty. The Committee accepted the terms of the approved conciliation agreement and submitted a signed conciliation agreement, without revision, on July 10, 2019.

We recommend that the Commission take the following actions:

1. Accept the attached conciliation agreement with Power of Liberty, Inc.;
2. Approve the appropriate letters; and
3. Close the file.
